

Map to Adventureworks' Kingston Springs Campus

(not to scale)

1) From Nashville, take I-40 West (toward Memphis) to Exit 192, McCrory Lane (about 3-1/2 miles after Bellevue exit). Turn RIGHT onto McCrory Lane and continue until it ends at HWY 70 (about 1 mile).

2) Turn LEFT onto HWY 70 and go approximately 5 miles to Cedar Hill Rd. It's on the right, just before the bridge (over the Harpeth River), and just after "Tip-A-Canoe" (on left) and "Foggy Bottom Canoe Rental" (on right). You'll see a brown Narrows of the Harpeth State Park sign (on right).

3) Follow Cedar Hill Rd. approx 2.8 miles to a road on the left, where you might see another Park sign and an Adventureworks sign (you will be going up a hill at this point, in a forested area).

4) Turn LEFT into park, go 100 yards and...

5) Turn LEFT AGAIN at a brown Tunnel/Canoe sign (and another small Adventureworks sign). Go 1 mile (through park, past Dead End sign) to Adventureworks. There's a mailbox with our name and logo on left; our driveway is to the right.

From Dickson: Take HWY 70 East toward Nashville, past White Bluff, to Cedar Hill Rd., just past the Harpeth River Bridge. Turn left immediately after bridge and follow above directions (from step 3).

GPS coordinates of our driveway:

lat = 36.139956 lon = -87.126539
(OR: +36° 8' 23.84", -87° 7' 35.54")

Street address:

1300 Narrows Rd. Kingston Springs, TN 37082
(Beware of errors in internet mapping!)
