

**Guardian's RELEASE OF LIABILITY for Minor Child
at Adventureworks Climb Zip Swing, Sevierville, TN**

I am an adult guardian for the below named minor participant ("the child"). I understand zip lines and/or challenge courses are sporting activities, and participation involves inherent and other risk, and participation may result in emotional or physical injury, illness, permanent disability, or death. I understand that the child will be traversing and climbing natural and man made structures, and the child increases the risk of death if the child unclips the safety gear at height. Participation is completely voluntary. I acknowledge that I have had the opportunity to inquire about the Adventureworks activities in which the child plans to participate, and have asked any questions I deemed appropriate regarding those activities and the risks involved. Under Tennessee Law, an adventure tourism professional is not liable for an injury to or the death of a participant in adventure tourism activities resulting from the inherent risks of such activities, pursuant to Tennessee Code Annotated 11-11-201 et seq. The State of Tennessee is held harmless for any act of approval of an adventure tourism business. State approval is limited to determining eligibility for tax credits only. I understand that the child may be photographed while participating in Adventureworks events. I agree that Adventureworks may use such photographs for any lawful purpose, including publicity, advertising, and web content. I assume all risk that could result from any of the activities inherent and otherwise and whether or not described above. I have discussed the activities and risks with the child, who understands them and chooses to participate nevertheless. I, for myself and for the minor child, forever release and discharge Adventureworks, Inc., their staff, principals, and board, from any and all claims including claims of negligence for any injuries, damages, or loss to me as a result of my participation in any Adventureworks activity.
